ENRICHMENT DRIVE

Lemurs need to stay happy, healthy, and busy just like you! In addition to our daily caretaking tasks, enrichment provides mental stimulation and physical activity for the lemurs!

How?

You can help by collecting and dropping off items that our lemurs need to be happy and busy.

What?

Here is a list of items that our lemurs love and we would gladly accept as donations:

- Fleece blankets
- Paper cups (no wax) and paper plates
- Brown paper bags (grocery store- or lunchbag-size)
- Cardboard 6-pack holders or carpet tubes
- Plastic laundry baskets
- Plastic crates
- Art canvases and non-toxic tempura paint

And, of course, anything from our amazon wishlist! lemur.duke.edu/donate/wishlist

Thank you for loving lemurs! If you have any questions or would like to drop off items, please call Meg Dye at (919) 401-7246 or email meg.dye@duke.edu.
