The Leaping Lemurs Summer Science Camp is a co-ed camp with programs designed for rising 3-5th and 6-8th graders. This exciting and educational camp includes five full days of lemur-filled programming, a camp t-shirt, and of course plenty of time spent watching the lemurs! Please note that while this camp is a highly engaging program for all budding primatologists, there will be no physical contact with any lemurs.

3rd-5th camp dates:
• July 9-13
• August 6-10

6th-8th camp dates:
• June 25-29
• July 23-27

Camp fee is $380 for five full days of camp. Due to the high volume of summer camp requests, we cannot accommodate single-day registrations.

To register, complete the right side of this form and return it via one of the options below:
• Fax to (919) 490-5394
• USPS (“snail mail”) – Duke Lemur Center | ATTN Camps | 3705 Erwin Rd | Durham, NC 27705
