

Leaping Lemurs! Science Camp

The Leaping Lemurs Summer Science Camp is a co-ed camp designed for rising 6th-8th graders and 3rd- 5th graders. During the weeklong session, your child will learn about all aspects of

the Duke Lemur Center. Topics including primate evolution, natural history, research, conservation, animal welfare and husbandry will all be covered.

This exciting five-day camp includes both classroom time and exciting hands-on indoor/outdoor experiences along with a T-shirt. Our lemur activities will be a great experience for the

budding primatologist in your family! **(Although children will be in close proximity to the lemurs, touching or handling of the lemurs is never allowed per Center regulations.)**

Cost: \$380 per child/per session

Payment required at time of registration. Cancellations made within: 30 days of the camp session will receive a full refund, 14-29 days of the camp session will receive a 50% refund, and 0-13 days of the camp session will not be refunded.

*NOTE: All refunds can take up to 45 business days.

*No scholarships or tuition assistance provided at this time

Please dress your child appropriately for the weather and ensure they are wearing closed-toed tennis shoes. We ask that caretakers provide a water bottle, sunscreen and insect repellent as all campers will be exposed to outdoor elements.

Lunch is not provided and refrigeration is not available; however all lunches are kept in an air-conditioned room. Drinks are available for purchase.

Aftercare available from 4-5pm. \$15 per day

Please contact Gwynne MacIntyre at qdm15@duke.edu or primate@duke.edu for more information.
